

Brydge Virtual Patent Marking Program – July 1st, 2021

The Brydge products listed below are protected by patents in the United States and the other countries listed. This web page is provided in compliance with the virtual patent marking provisions of the America Invents Act and similar legislation in other relevant countries.

This list may not be all inclusive. The Brydge products listed may be protected by additional patents, and other patents may be pending. Any Brydge products not listed may be protected by one or more patents.

Unless referenced as from another country (in brackets next to the patent number), all patents or patents pending are US.
